AusRAIL 2018

INDUSTRY SNAPSHOT

**Does rail have an image problem?**

**Are there ways you could work flexibly in your role that aren’t currently offered?**

**Do you believe you can innovate from your position?**

**Would you take the opportunity of working across states and companies if it was offered?**

**Would you recommend a job in rail to your friends + family?**

**Would passengers get a better deal if train operations were privately operated?**
